To Whom It May Concern:

My name is Sam Skibbe, Commissioner of the Skibbe Wiffleball League (SWBL). The SWBL was established in 2003 as the premiere competitive wiffleball league in the St. Louis, Missouri area. Rules, such as medium-pitch speed limits and full base running make this league unlike any in the country.

The mission of the SWBL is to keep a tradition of competition and friendship alive for decades to come. Throughout 17 years, over 100 players from the St. Louis County community have come together to play over 900 games of wiffleball. The league members have spent most of their lives playing the game they love with close friends and neighbors.

As our 18th anniversary season approaches in May of 2020, the SWBL hopes to continue to host the largest wiffleball event our community has ever seen. To enhance our regularly scheduled wiffleball season, the league plans to make the following changes:

- Expand our league grounds to accommodate more exciting fan experiences.
- Produce webcasts of all games played throughout the tournament.
- Record monthly podcasts to broaden our fan base nationally.
- Establish partnerships with local media outlets.
- Continue our charity donations program for every strikeout in the tournament.
- Grow our social media presence locally and nationally.
- Host end-of-tournament trophy presentation and the Hall of Fame induction.

To accomplish these enhancements, the league is pursuing sponsorships to help make this event a successful part of the St. Louis community. Attached, you will find detailed sponsorship information as to what your company will receive in return for any, and all donations to our league.

The Skibbe Wiffleball League appreciates your time in considering this sponsorship request. If you have any questions regarding the SWBL or sponsorship opportunities, please contact Sam Skibbe at 314-315-0277 or skibbewiffleball@gmail.com.

Sincerely,

Sam Skibbe
